

## **REIMER EAR & HEARING CARE AB**

Skanör, Sweden

[www.nashalsan.se](http://www.nashalsan.se)

Our objective is to support health planners and authorities in middle- and low-income countries as they design strategies to prevent and treat the harm caused by infectious ear diseases. At present, our activities are focused on building collaborations with physicians and government bodies in Angola.

The company is collaborating with ReiBeck Innovation AB that is presented at the home page [www.nashalsan.se](http://www.nashalsan.se)
